ROBBIE WILLIAMS is coming to Schladming!

Our hotel will open a few days before, and we are looking forward to presenting you with freshly renovated rooms and bathrooms once again. It's time to get excited!

Thank you so much for all your great reviews on various platforms. We are really proud to have received 5.9 out of 6 possible points on Holidaycheck and will be doing our best to make up the last 0.1 points. Your feedback is always much appreciated as it helps us to grow and develop.

On the four ski mountains in our vicinity, the snow cannons have already been set up to make the most of it once the temperatures go below zero, and the new "Kinderland" is being built in the valley. Right next to the valley station of the 8-seater gondola lift, the new Wollis Kids Park awaits all beginners on skis and snowboards. A button lift, three "magic carpets" and ski runs suitable for beginners are perfect for aspiring skiers, and the play elements in the park keep the kids entertained when taking a break from the slopes. Two conveyor belts may be used free of charge.

We are looking forward to welcoming you!

BALÁZS FARKAS

After a one-year trial run as Chef de Partie, Balázs will take over as head chef from 2023/24. We are looking forward to a long and successful collaboration! And don't worry – the core of our kitchen philosophy remains the same:
